Subject: February 6 Puget Sound Nutrient Forum
Date: Tuesday, February 05, 2019 11:42:51 AM

Greetings,

Just sending a quick reminder out to everyone that is planning to come to tomorrow's Nutrient Forum, we are continuing with the Forum as scheduled. I recognize that some of you might have to deal with local snow and ice issues and might not be able to safely attend in person, and suggest that you register for the WebEx if you have concerns about the drive. You can register for the WebEx using [this link](#) to receive your login information.

We look forward to seeing many of you in person tomorrow. The location is the Red Lion Hotel SeaTac ([18220 International Blvd, Seattle WA](#)) **in the Seattle Room**. If you attend the May 2018 Forum, it is the same location but the meeting room is different. There will be signage to help direct you.

We will have coffee and light refreshments available, but we are not providing lunches. There is a restaurant on-site and other options nearby; some of us will remain in the meeting room during the lunch hour and will be informally available for additional questions if you stay on site. We will be breaking for lunch from 12:00-1:00pm.

Thank you to everyone who has registered, we are expecting a nearly full meeting room based on your responses. I am sending this message to those who registered as well as the Puget Sound DO listserv to make sure I reach everyone. My apologies for multiple notices you may receive if you are on both lists.

Thank you for joining the Forum and participating in the discussion.
